Dear Sponsor,

The High Desert Youth Soccer League is a competitive youth soccer organization for school-aged children, ages 3 through 18. Established in 1984, the High Desert Youth Soccer League provides a valuable sporting resource to our own community in Apple Valley and surrounding High Desert areas. The High Desert Youth Soccer League (HDYSL) is a non-profit organization and the board of directors as well as coaches are all volunteers.

We have grown to become one of the largest recreational youth leagues in Southern California with over 1200 players participating in our two major seasons, Fall and Spring.

Our goal is to develop a lifelong passion for soccer by teaching the fundamentals and enhancing already developed skills. We not only teach soccer skills, but leadership, sportsmanship, teamwork, discipline, and physical and mental readiness.

We offer a family-friendly environment for youth looking to learn or enhance their game skills and provide opportunities for tournaments and club teams as their skills progress.

One of the best ways to promote your business is through support and sponsorships of youth sports in your community. Through sponsorships of youth soccer, you are helping support and provide a service to the children and families of our community. We strive to keep sign-up costs at a minimum for our families, which leaves very little available to operate the non-profit organization.

A sponsorship from your company will help defray the cost of equipment, uniforms, referee fees, facilities fees, and tournaments. Your donation is also tax deductible.

The High Desert Youth Soccer League is committed to giving our youth a fun, healthy, and safe soccer league and fostering a lifelong love for the game! Your generous contribution will help ensure these goals are met. HDYSL appreciates your consideration, and your sponsorship will be recognized and valued for many years to come.

If you have any questions or need your donation picked up, please call me at 760-887-6946.

Sincerely,
Terri Rey
HDYSL Board of Directors - Director of Sponsors & Secretary
